

# Code of Conduct of the ISMET Group for Corporate Social Responsibility

## Preamble

The companies ISMET GmbH and ISMET Transformatory s.r.o. (collectively “ISMET Group”) affirm their Corporate Social Responsibility as a part of their global business activities (internationally known as ‘CSR’<sup>1</sup>). ISMET Group’s Code of Conduct for Corporate Social Responsibility’ (hereinafter called ‘CoC’) acts as a guideline in the industry, especially regarding working conditions, social and environmental compatibility, transparency, collaboration and dialog that is marked by trust. The content of this CoC is an expression of ISMET Group’s core values as they are defined in ISMET Group’s vision and mission statements and especially as they are affirmed in the social market economy. This CoC helps ISMET Group in responding to different general conditions in a global market and in facing challenges and social expectations that come from intensified collaboration from within the value chain.

## 1 Basic Understanding of Social Responsibility in Corporate Management

A mutual, basic understanding of social responsibility in corporate management forms the basis of this CoC. This means for ISMET Group to assume responsibility by bearing in mind the consequences of its business decisions and actions on economic, technological, social and environmental levels and brings about an appropriate balance of interests. The ISMET Group voluntarily contributes to the well being and long-term development of a global society at every point it can at the locations where it is in business. It is geared towards universally held ethical values and principals, especially integrity, honesty and respect of human dignity.

## 2 Where the CoC applies

**2.1** This CoC is in effect for all ISMET Group’s companies and branches as well as business units worldwide.

**2.2** The ISMET Group commits to promoting adherence to the content of this CoC at every point it can for its suppliers and in other parts of the value chain.

## 3 Core Values for Social Responsibility in Corporate Management

The ISMET Group will proactively work to ensure that the values mentioned below are put into practice and adhered to both now and in the future.

### 3.1 Adherence to Laws

The ISMET Group will abide by the laws in effect and other legal requirements of the countries where it is in business. For countries that have a weak institutional framework, the company will carefully examine what good company practices from their home country should be applied to enable supportive, responsible company management.

### 3.2 Integrity and Organizational Governance

**3.2.1** The ISMET Group gears its activities towards universally held ethical values and principals, especially integrity, honesty, respect of human dignity, openness and non-discrimination based on religion, ideology, gender and ethnicity.
